Sponsorship Opportunities

Dear Sponsor:

American Society of Engineers of Indian Origin (ASEI) is hosting the 33rd Annual ASEI National Convention focusing on Global Engineering & Technologies (GET-2020). This virtual convention will be held on December 5th and 6th, 2020.

The objective of this convention is to provide a forum to promote and share advancements related to Global Engineering & Technologies. The convention is expected to be virtually attended by over 1000 professionals including scientists, engineers, entrepreneurs, and corporate leaders across USA. This convention will feature multiple interactive sessions with prominent business owners, technologists, media personalities, educators, policy makers, and investment bankers. This event will be covered by the local and national media including leading social media outlets.

We invite you to take advantage of this unique opportunity to showcase your organization at the GET 2020 National Convention. The sponsorship levels for this convention are designed to provide both immediate and long-term benefits to you and your organization. In addition to sponsorship, we will be publishing an online program souvenir/brochure to advertise your products and services.

We look forward to your sponsorship and provide you with this excellent opportunity to advertise your products and services to a large audience before, during and after the convention. For additional information on ASEI and to obtain GET 2020 National Convention details, please contact Rakesh Patel at 248-875-9952 or www.ASEIUSA.org/NC.

Sincerely,

Rakesh Patel

ASEI Background

The American Society of Engineers of Indian Origin (ASEI) is an organization of engineers and technical professionals of Indian origin. ASEI was established in 1983 in Michigan and is a non-profit organization (Tax ID # 38 -2468829). Since its inception in 1983, ASEI has strived to strengthen the Indo-American relationship, institute a channel of communication between technical organizations within the United States and abroad, lend a helping hand to charitable organizations, provide assistance to engineering students at the Local and National levels, and organize networking events.

ASEI Vision

To provide a platform for networking, career advancement, community service, and technology exchange to technical professionals of Indian origin.

ASEI Mission

- Provide career guidance and mentoring to members
- Recognize outstanding engineers, students, and entrepreneurs
- Provide scholarships to students
- Host annual national conventions and local chapter networking meetings
- Participate in humanitarian projects
- Promote Indo-American relationship
- Promote technology transfer between India and USA

ASEI Purpose

The purpose of ASEI is to encourage and nurture the next generation of engineers and technical professionals. ASEI is committed to making our communities better places to live. Therefore, every chapter supports the local community events, encourage our team members to volunteer and donate generously to charities. ASEI aims to give back to the community by spurring development and economic growth in vibrant economies as well as under-developed regions.

ASEI Principles

Volunteering	Involvement	Commitment
Fellowship/Mentoring	Excellence	Leadership
Diversity	Encouragement	Respect
Advancement	Recognition	Networking
